

## YOU LIFT US UP

Sacred Heart Hospital is sponsored by the Hospital Sisters of St. Francis, a multicultural congregation headquartered in Springfield, Illinois, with Provinces and Regions throughout the world. Their commitment to living the Gospel in the spirit of St. Francis and their dedication to the mission of bringing Christ's healing presence to the sick, poor and marginalized can be seen in the work our colleagues do every day. They want each Friend to know that they appreciate everything you do to keep Sacred Heart Hospital at the top level in technology and in the spirit of God's love and compassion.

## YOU ENSURE HIS LIFE-TOUCHING MINISTRY CONTINUES

For over 40 years, Monsignor Edmund Klimek has been ministering to the spiritual needs of our patients—offering a kind hand, a reassuring word, or sharing a prayer of comfort. The Monsignor Edmund Klimek Healing Presence Endowment Fund was set up to support projects and programs representative of his poignant ministry. To find out more or make a gift, call Friends of Sacred Heart Hospital at 715.717.4925, or go to [sacredhearteauclaire.org/friends-of-sacred-heart-hospital](http://sacredhearteauclaire.org/friends-of-sacred-heart-hospital).

## OUR HOPE IS LIMITLESS

The health and wellness of the people of this region constantly drives us to move beyond the limits of what is currently possible. To bring internationally renowned physicians and medicine's most advanced technology together in an environment of innovation, imagination and hope. To elevate the standard of care we provide, so that every person, from every walk of life, has access to extraordinary care in specialties that range from cardiac, bariatric, robotic and oncologic surgery to trauma, stroke, neuroscience and critical care medicine.

Your donations make it possible for your family, friends and neighbors to receive this exceptional level of medical care and the hope it brings right here, close to what matters most to them—home and the support of loved ones. To find out more about what your gifts mean to Sacred Heart Hospital, call Friends of Sacred Heart Hospital at 715.717.4925, or go to [sacredhearteauclaire.org/friends-of-sacred-heart-hospital](http://sacredhearteauclaire.org/friends-of-sacred-heart-hospital).

### PAULINE BANGLE,

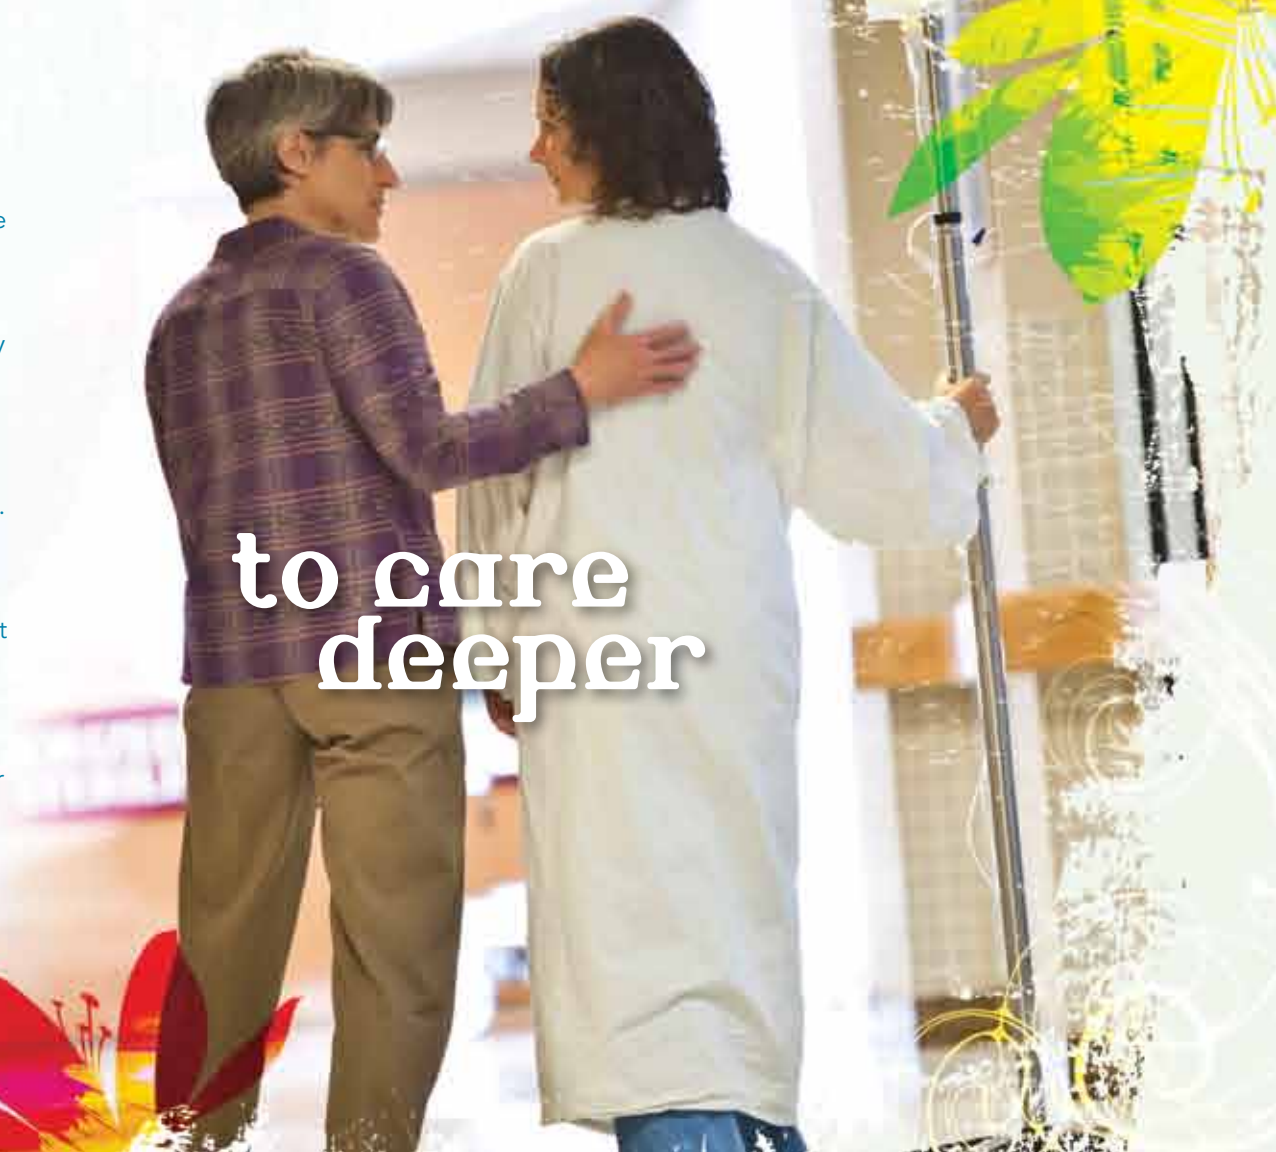

administrative assistant, patient services at Sacred Heart Hospital, is a longtime Friends of Sacred Heart Hospital donor who has been a volunteer on the Colleague Giving Campaign Committee for several years. This past year, she was a part of the group that helped organize and implement a new Colleague Emergency Assistance Fund. The fund was set up as a way to provide confidential and timely financial assistance to colleagues experiencing unusual and severe financial strain.

A total of \$12,000 was raised for the new fund as part of the 2011 Colleague Giving Campaign. It will be used to offer a one-time grant of up to \$500 to colleagues in need.

"We're a family here," says Pauline. "When you hear that someone in your family is hurting, you wish you could help. Now we have a way to do that."

Pauline's generous heart takes its inspiration from the Hospital Sisters' mission.

"No matter who you are, what your walk of life, or what you believe—there is care for you here at Sacred Heart Hospital. I love that mission," says Pauline. "The Hospital Sisters have given us the charge of carrying on their incredible mission. What better way to reciprocate than through our gifts, no matter what the size."

to care deeper

### WHEN A PERSON IS LIVING WITH A SERIOUS ILLNESS

they need relief—from pain, from the debilitating symptoms of their illness. They need information about their condition, their treatment and their choices for care. They need compassion, encouragement, dignity and a way to keep living the best life they can for themselves and their loved ones.

For over ten years, Sacred Heart Hospital's Palliative Care Program has been providing this special kind of care to a growing number of people and families dealing with critical or long-term chronic illness and end of life issues.

Since the program's beginning, palliative care has been free to anyone, whether their treatment was

completed or just beginning. The program has also served as a resource to community members who have not been patients at Sacred Heart Hospital at no charge.

In 2010, Friends of Sacred Heart was able to provide operating support for the palliative care program.

"The generosity of our donors allows the palliative care team, and every colleague in the hospital, to make the lives of our most fragile and tender patients easier," says Jeanne Weggel, palliative care coordinator at Sacred Heart Hospital. "It is incredibly fulfilling to care for someone in this manner. We are so grateful for what Friends of Sacred Heart allows us to give to our patients and those in our community."

to learn more

### THIS PAST YEAR,

neurosurgeon Phillip Porter, MD, FRCS(C) at Sacred Heart Hospital's Brain & Spine Institute recognized an opportunity to impact patient care by encouraging neurosciences employees to explore the latest neuroscience teachings, techniques and treatments and bring them back to the hospital. Using Friends of Sacred Heart Hospital as a vehicle, he established the Brain & Spine Institute Educational Enhancement Endowment Fund. The fund grants up to \$2,500 for one colleague per year to attend a conference and bring a piece of learning, a skill, knowledge about a disease, or a new diagnostic technique or treatment option back and share it with the entire team.

"This grant is open to anyone who touches neurology or neurosurgical patients from emergency medicine to therapists and nurses to technicians," says Dr. Porter. "It ensures that the Brain & Spine Institute will always be up-to-date on the latest advancements in the field and able to provide patients with the most comprehensive, cutting-edge care."

If you would like to learn more about this educational endowment or how you can impact patient care by creating a philanthropic fund, please call Friends of Sacred Heart Hospital at 715.717.4925.
